Government Expeditures that Will Bring Returns Now and After Many Days.

Washington, July 9.—The treasury department yesterday drew warrants aggregating \$1,200,000, or \$25,000 each for 45 states and two territories, being the maximum amount provided for by congress in the act of August 30, 1890, for the endowment and maintenance of colleges for the benefit of agriculture and mechanic arts. This act provided a minimum sum of \$15,000 for that year, with an annual increase of \$1,000 for ten years up to \$25,000. The maximum is now reached, and hereafter each of the states and territories will receive annually this sum for its agricultural colleges. This money is the proceeds of the sale of
